

# Brokerage Account Setup & Transfers

If your plan allows for Brokerage Accounts and you would like to set one up, please contact the Service Center at 888-762-6088 for assistance.

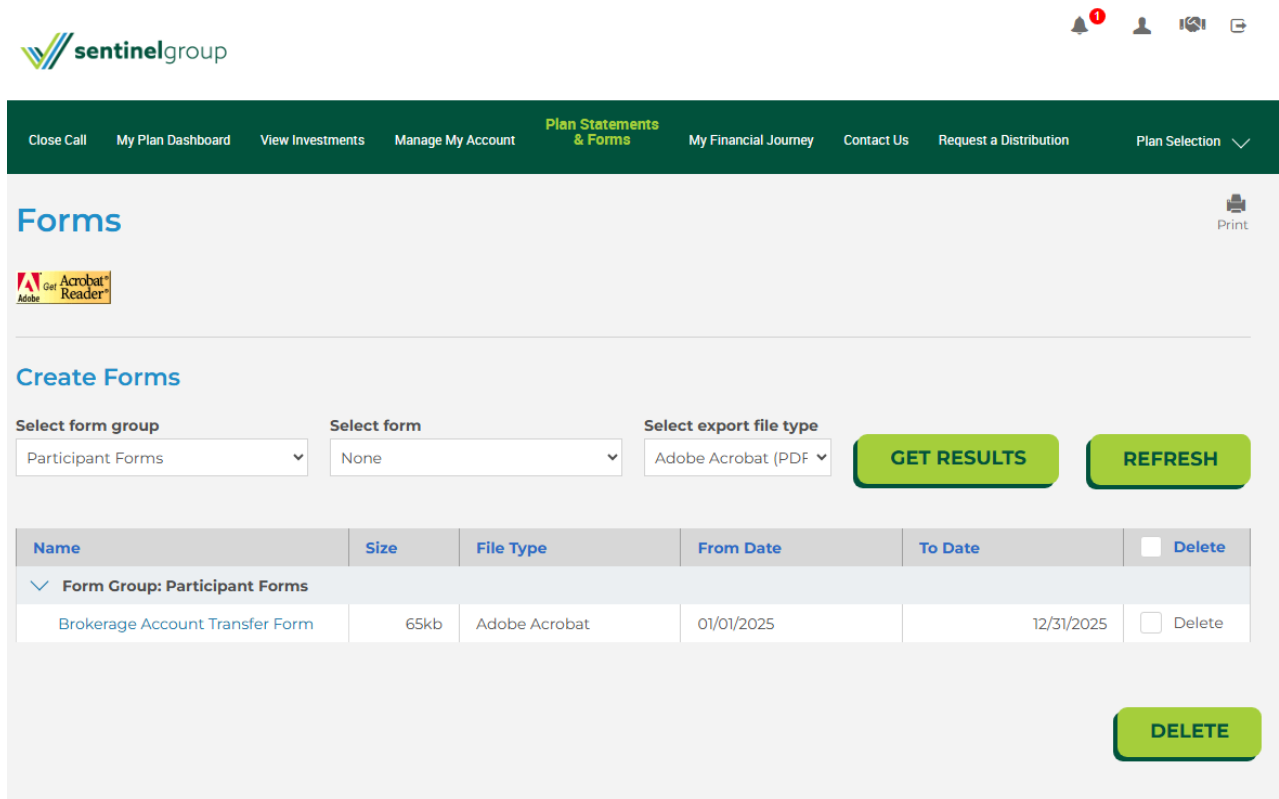

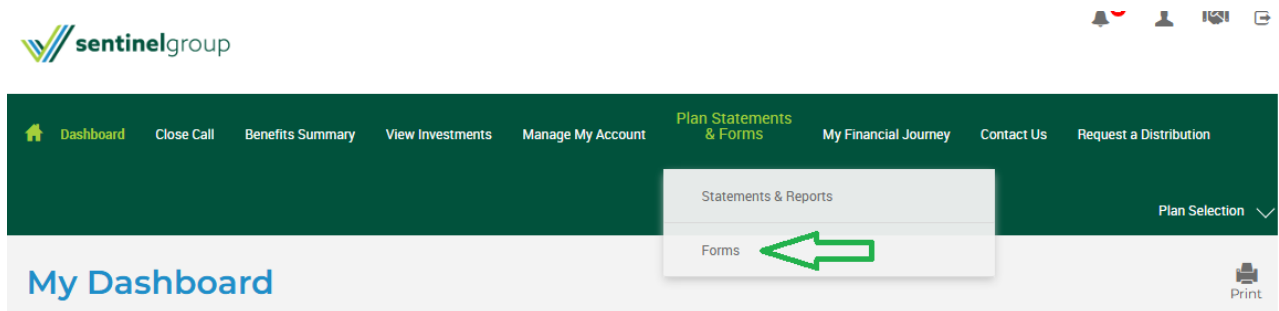

If you already have a brokerage account set up, you are able to move funds from your retirement plan into your brokerage account.

Making transfers between your retirement plan account and your brokerage account is simple and can be initiated online.

Log into your online account to begin the process.

## 1. Complete the online brokerage account transfer form.

- Access the form by selecting **Plan Statements & Forms** and then selecting **Forms** from the menu.
- Select the **Brokerage Account Transfer** form and click **Get Results\*** You will be prompted to open form. You can also expand Participant Forms to see all previously generated forms.
- Once you have launched the form, click Request Transfer for This Account.

## 2. **Complete and Submit online form**

3. **Email Notifications:** You will receive email notifications throughout the process so you will know the status of your trade.
