

HSA Statements

Account Summary Statements are generated and available each month for your HSA.

When your account statement is available you will receive a notification by email directing you to view the statement details in your [online account](#).

Once you are logged into your online account select **Message Center** from your Main Account page. There will be an indicator that you have new messages.

You can also access your monthly Account Summary by selecting **Accounts** from the main menu and select **Statements**.
