Navigating your online account

Watch the below video to learn more about navigating your online account!

Discover **5 ways** to help maximize your benefit account experience:

1. **"Accounts"**: This section lists plans in which you are currently enrolled, your available balance, and important dates and deadlines.

2. **"I Want To"**: You can manually enter claims for reimbursement either to your provider or to yourself.

3. **"Tasks"**: Review action-required tasks to understand what additional information is needed to process your claim.

4. **"Message Center"**: Access your notifications; including claims updates, statements, account updates, and receipt requirements for pending claims.

5. **"Profile"**: Confirm and/or update your preferred contact information by viewing your profile summary.
